Proposals and References

Proposal No. 1: Appropriation of Surplus

It is proposed that surplus be appropriated as follows:

It is the Company's basic policy to decide on the distribution of dividends in consideration of earnings performance of the relevant business term and the need to retain earnings for future business development.

Concerning the term-end dividends for this term, the Company, after taking into account the business results of the term as well as the need to improve future competitiveness and financial strength, proposes a term-end dividend as described below.

1. Matters related to term-end dividends

(1) Type of dividend assets

Cash

(2) Matters related to the appropriation of dividend assets and total amount thereof:

3.00 yen per common share of the Company Total amount: 4,284,763,059 yen

(3) Effective date for appropriation of surplus:

March 31, 2016

2. Matters related to the appropriation of other surplus:

None

Proposal No. 2: Consolidation of Shares

1. Reason for consolidation

Japan's stock exchanges announced the "Action Plan for Consolidating Trading Units" with the aim of standardizing the trading units for common stock of all listed domestic corporations at 100 shares.

As a corporation listed in the Tokyo Stock Exchange, the Company respects the objectives of the plan and will change the trading unit (share unit) for the Company's stock from 1,000 shares to 100 shares. Along with the change in the share unit, the Company will also consolidate its shares (ten shares into one share) in order to maintain the level of investment unit considered desirable for the Company's shares by the stock exchanges (50,000 yen or more and less than 500,000 yen).

2. Class of shares to be consolidated and consolidation ratio

The Company will consolidate every ten shares of common stock into one share.

If any fractional shares less than one share are created as a result of the consolidation of shares, such fractional shares will be disposed of together in accordance with the Companies Act and the proceeds will be distributed to shareholders who held the fractional shares in proportion to the number of their fractional shares.

3. Effective date for the consolidation of shares and the change in share unit

July 1, 2016

4. Number of authorized shares as of the effective date for the consolidation of shares

330,000,000 shares

Number of authorized shares will be decreased from 3.3 billion shares to 330 million according to the ratio of the consolidation of shares.

5. Others

The consolidation of shares pertaining to this proposal is subject to the approval of the “Proposal No. 3: Partial Amendment to the Articles of Incorporation” below. Shareholders are kindly requested to entrust the Board of Directors of the Company with other necessary decision making over formalities to execute the consolidation of shares.

Proposal No. 3: Partial Amendment to the Articles of Incorporation

1. Reason for amendment

- (1) Changes in the number of authorized shares and the share unit (proposed amendments to Article 6, 8, and addition of Supplementary Provisions)

Article 8 of the Articles of Incorporation will be amended in order to change the number of shares per share unit from 1,000 to 100, on condition that the “Proposal No. 2: Consolidation of Shares” above is approved.

The effective date for this amendment will be determined in the “Supplementary Provisions,” which will also determine how the “Supplementary Provisions” will be treated. It shall be deemed that Article 6 of the Articles of Incorporation below is amended on July 1, 2016, the effective date for the consolidation of shares, in accordance with Article 182, paragraph 2 of the Companies Act.

- (2) Change in the scope of directors and auditors who can conclude agreements to limit their liabilities (proposed amendments to Article 27 and 35)

In line with the change in the scope of an agreement limiting liability upon the enforcement of the “Law for Partial Amendment to the Companies Act” (Act No. 90 of 2014) on May 1, 2015, the provisions of Article 27, paragraph 2 and Article 35, paragraph 2 of the Articles of Incorporation will be partly amended in order to enable non-executive directors and auditors other than outside auditors to fully execute their expected functions.

In addition, each auditor has consented to the amendment to the provisions of Article 27, paragraph 2, of the Articles of Incorporation.

2. Details of amendment

We therefore believe he is well qualified for the position as Outside Director. Though Mr. Oshima has never taken part in management of business companies in the past, he participated in commercialization of results of joint researches with multiple companies. We therefore judge he can appropriately fulfill his duties as Outside Director.</p> | 0 shares |

- Notes: 1. None of the candidates for the Directors has any special interest in the Company.
2. Mr. Kohei Morikawa and Mr. Taichi Nagai are candidates to be newly elected.
3. Mr. Tomofumi Akiyama, Mr. Akiyoshi Morita, and Mr. Masaharu Oshima are candidates for Outside Directors.
4. Mr. Akiyama, Mr. Morita, and Mr. Oshima will have served as Outside Directors of the Company for eight (8) years, four (4) years, and one (1) year respectively at the close of this ordinary general meeting of shareholders.
5. Pursuant to the provisions of Articles of Incorporation, in case Mr. Akiyama, Mr. Morita, and Mr. Oshima are reelected, the Company plans to extend the existing agreements with them limiting their liability for damages within a defined range. In addition, on condition that the "Proposal No. 3: Partial Amendment to the Articles of Incorporation" above is approved, the Company plans to conclude the same agreements with other non-executive Directors. The amount of limited liability under the agreement shall be the minimum level stipulated by laws and regulations.
6. Pursuant to relevant rules of the Tokyo Stock Exchange, Inc. (TSE), the Company has notified the TSE that Mr. Akiyama, Mr. Morita, and Mr. Oshima have been appointed the Company's independent directors who will not have conflicting interests with general shareholders. Though Fukoku Mutual Life Insurance Company, in which Mr. Akiyama has another position, holds shares of the Company, the percentage of shares held by Fukoku Mutual Life Insurance Company is 3.86% and does not meet the condition to be recognized as major stock holder. In addition, though the Company has business relations with Fukoku Mutual Life Insurance Company including borrowing money from it, the percentage of money borrowed from Fukoku Mutual Life Insurance Company is less than 1% of the Company's total assets, and does not meet the condition to be recognized as major business acquaintance of the Company. We therefore judge Mr. Akiyama will not have conflicting interests with general shareholders.
- Though Mr. Akiyoshi Morita is an Advisor of Aichi Steel Corporation, the amount of annual business transactions between the Company and Aichi Steel Corporation is less than 1% of the Company's net sales, and does not meet the condition to be recognized as major business acquaintance of the Company. We therefore judge Mr. Morita will not have conflicting interests with general shareholders.
- Mr. Masaharu Oshima and the Company had joint researches until 2008. The annual research expenses were less than 10 million yen, and do not meet the condition to be recognized as major business acquaintance of the Company. We therefore judge Mr. Oshima will not have conflicting interests with general shareholders.

Proposal No. 5: Election of Three Auditors

The term of office of Standing Statutory Auditor Akira Sakamoto, Auditors Hiroyuki Tezuka, and Kiyomi Saito is to expire at the close of this ordinary general meeting of shareholders. The Company proposes election of three auditors.

As to this proposal, approval from the Board of Auditors has been obtained.

The candidates for Auditors are as listed below:

 3. Ms. Kiyomi Saito's name on the family register is Kiyomi Takei.
 4. Mr. Hiroyuki Tezuka and Ms. Kiyomi Saito are candidates for Outside Auditors.
 5. Mr. Tezuka and Ms. Saito will have served as Outside Auditors of the Company for eight (8) years and four (4) years respectively at the close of this ordinary general meeting of shareholders.
 6. It became clear that Toshiba Corporation, in which Ms. Saito served as an Outside Director from June 2012 to September 2015, conducted inappropriate accounting for a long period from fiscal 2008 to fiscal 2014, and Toshiba corrected its financial statements and other related documents in September 2015. Following the fact that Toshiba committed false representations in its financial statements and other related documents for that period, Tokyo Stock Exchange and Nagoya Stock Exchange designated Toshiba's stock as a security on alert, and imposed listing agreement violation penalties on Toshiba. Moreover, in December 2015, the Commissioner of Financial Services Agency ordered Toshiba to pay a surcharge. Ms. Saito did not take part in the false accounting, and never recognized the false accounting. However, she had always been stating importance of thorough enforcement of compliance at the meetings of the Board of Directors of Toshiba. After the reveal of the false accounting above, Ms. Saito offered opinions concerning actions to determine the cause of these wrongdoings, and, as a member of the Management Reform Committee, contributed to the formulation of measures to prevent recurrence of these wrongdoings.
 7. Pursuant to the provisions of Articles of Incorporation, in case Mr. Tezuka and Ms. Saito are reelected, the Company plans to extend the existing agreements with them limiting their liabilities for damages within a defined range. In addition, on condition that the "Proposal No. 3: Partial Amendment to the Articles of Incorporation" above is approved, the Company plans to conclude the same agreement with the Auditor other than the Outside Auditors. The amount of limited liabilities under the agreements shall be the minimum level stipulated by laws and regulations.
 8. Pursuant to the relevant rules of the Tokyo Stock Exchange, Inc. (TSE), the Company has notified the TSE that Mr. Tezuka and Ms. Saito have been appointed the Company's independent auditors who will not have conflicting interests with general shareholders. Though the Company requests legal services of Nishimura & Asahi, in which Mr. Tezuka has another position, when necessary, the latest three-year-average of the ratio of fees paid from the Company to Nishimura & Asahi is less than 1% of the total fees the law office received from its customers. There is no business transaction between the Company and JBond Totan Securities Co., Ltd., in which Ms. Saito has another position.

Proposal No. 6: Introduction of Performance-linked Stock Compensation Scheme for Directors, etc.

1. Reason for the proposal and the judgement that the suggested compensation scheme is appropriate
In the past, compensation for Directors of the Company consisted of "Basic Compensation" and "Short-term Performance-linked Compensation." This time, the Company decided to introduce Performance-linked Stock Compensation Scheme (hereinafter "the Scheme") for Directors and Corporate Officers. The purpose of the proposed introduction of the Scheme is to further clarify the linkage between compensation for Directors and Corporate Officers and the share value of the Company, thereby enhancing their awareness of the need to contribute to the efforts to achieve improved business performance and greater enterprise value in the medium to long term.
This proposal is to obtain shareholders' approval on the amount of compensation to be paid to Directors (except Outside Directors), which is to be paid separately from the maximum amount of compensation payable to directors that is proposed as the Proposal No. 7 below. Based on these, the Company considers the introduction of the Scheme is appropriate.
Shareholders are kindly requested to entrust the Board of Directors of the Company with other necessary

decision making to design details of the Scheme, which is to be within the framework as described in the item “2. Framework of the Scheme and the amount of compensation to be paid under the Scheme” below.

If the “Proposal No. 4: Election of Nine Directors” is approved as proposed above, the number of Directors of the Company who are targets of the Scheme will be six (6).

2. Framework of the Scheme and the amount of compensation to be paid under the Scheme

(1) Outline of the Scheme

The Scheme is a performance-linked stock compensation scheme in which a trust acquires shares in the Company using underlying funds contributed by the Company and the shares and an amount of money corresponding to their prevailing market price (hereinafter “the Company’s Shares and Cash Benefits”) are granted by the trust to the Company’s Directors and Corporate Officers pursuant to the Director Share Grant Regulations to be prescribed by the Board of Directors. Any of the Company’s Shares and Cash Benefits for each of the Directors and Corporate Officers shall, in principle, be granted to him/her when he/she resigns as Director or Corporate Officer.

(2) Targets of the Scheme

Directors and Corporate Officers of the Company (excluding Outside Directors and Auditors)

(3) Amount of funds the Company will contribute to the Trust and the number of shares it will acquire in the Company

The Company will introduce the Scheme for three financial years from the one ending December 31, 2016 to the one ending December 31, 2018 (this period of three financial years, as well as each subsequent period of three financial years, are hereinafter referred as “Target Period”) and for each of subsequent Target Periods. The Company will contribute up to 450 million yen (including 288 million yen for share granting to Directors) to the Trust as funds to acquire shares in the Company for the purpose of granting them to Directors and Corporate Officers under the Scheme with regard to the inaugural Target Period.

Even after the passage of the inaugural Target Period, the Company will make an additional contribution of up to 450 million yen (including 288 million yen for Directors) for each of the Target Periods until the termination of the Scheme, as funds to acquire shares in the Company as mentioned above. If, however, in the event of the Company making such additional contribution, the trust assets contain any residual shares of the Company (excluding shares yet to be granted to Directors and Corporate Officers, among shares of the Company corresponding to the number of points assigned to such executives) or any money (hereinafter “Residual Shares and Cash Benefits”) on the last day of the Target Period immediately preceding the Target Period for which the Company intends to make the additional contribution, the combined total value of the Residual Shares and Cash Benefits (the applicable value of the shares of the Company shall be the amount of their book value on the last day of the above-mentioned immediately-preceding Target Period) and the money to be additionally contributed shall be an amount not exceeding the upper limit approved by the General Meeting of Shareholders.

(4) Method for the Trust to acquire shares in the Company

The trust will acquire shares in the Company by way of the stock market or by underwriting shares of the Company’s treasury stock.

(5) Specific contents of the method for determining the number of shares of the Company to be granted to Directors and Corporate Officers

Based on standard points granted to each of Directors and Corporate Officers according to his/her job description and responsibility, for each financial year the Company will grant points to be calculated in light of his/her contribution to the efforts achieve enhanced and greater enterprise value in the medium to long term.

The upper limit on the total number of points to be granted to Directors and Corporate Officers each financial year will be 1,000,000 (which correspond to 1,000,000 common shares of the Company, including 640,000 for Directors, which correspond to 640,000 common shares of the Company).

Each point to be granted to Directors and Corporate Officers will be converted into one common share in the company on the occasion of the share granting mentioned in item (6) below. If, however, shares of the Company are subjected to a share split, gratis share allotment or share consolidation after the proposed scheme introduction is approved by shareholders at the General Meeting of Shareholders, the Trust will make a reasonable adjustment to the conversion ratio, according to the applicable percentage figures.

The number of points for each Director and Corporate Officer, which serves as the basis for computing the number of shares of the Company to be granted to him/her, will be determined by multiplying the cumulative number of points granted to him/her until his/her resignation by a ratio of adjustment for share price fluctuation (not more than 1.0), a ratio to be stipulated in the Director Share Grant Regulations (hereinafter “Definitive Points”).

(6) Timing of granting the shares of the Company to Directors and Corporate Officers

Any of the resigned Directors and Corporate Officers meeting beneficiary requirements set forth in the Director Share Grant Regulations will be allowed, in principle, to receive from the Trust after his/her resignation, a grant of the number of the shares of the Company corresponding to an applicable number of Definitive Points, a term stipulated in item (5) above, by performing a specified beneficiary determination procedure. Nevertheless, any such resigned Director or Corporate Officer meeting relevant requirements set forth in the Director Share Grant Regulations may be granted an amount of money corresponding to the prevailing market price of shares of the Company with regard to a certain portion of the share grant, instead of the authorized grant of the shares. The Trust may sell a certain number of shares of the Company for money granting purposes.

(7) Handling of voting rights

On the instruction of the trust administrator, the Trust will uniformly not exercise voting rights for the shares of the Company held in the trust account. This is intended to ensure the neutrality of the Company’s business management regarding the voting rights of such shares.

Proposal No. 7: Revision of the Maximum Amount of Compensation Payable to Directors

At the 96th Ordinary General Meeting of Shareholders of the Company held on March 20, 2005, it was resolved that the maximum monthly amount of total compensation payable to Directors of the Company should be 50,000,000 yen, which has not been changed until today. This time, on condition that the “Proposal No. 6: Introduction of Performance-linked Stock Compensation Scheme for Directors, etc.” is approved, it is proposed that the abovementioned maximum monthly amount of total compensation payable to Directors of the Company be changed to 42,000,000 yen, in order to execute the Performance-linked Stock Compensation Scheme.

This maximum monthly amount of total compensation payable to Directors of the Company (42,000,000 yen) does not include the portion of compensation paid as employment salary to Directors who concurrently serve as employees, as in the past.

If the “Proposal No. 4: Election of Nine Directors” is approved as proposed above, the number of Directors of the Company will be nine (9), including three (3) Outside Directors.
